## TYPE OF WORK

Work performed is primarily:

- Sedentary work: Exerting up to 10 pounds of force occasionally and/or negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body.
- Light work: Exerting up to 20 pounds of force occasionally, and/or up to 10 pounds of force to move objects.
- Medium work: Exerting up to 50 pounds of force occasionally, and/or up to 30 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects.
- Heavy work: Exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly to move objects.
- Very heavy work: Exerting in excess of 100 pounds of force occasionally and/or in excess of 50 pounds of force frequently, and/or in excess of 20 pounds of force constantly to move objects

#### WORK ENVIRONMENT

May be required to work hours other than the regular schedule including nights and weekends.

May remain readily available, beyond regular operational hours, to respond to urgent technical issues and student, faculty, and staff requests.

This position requires regular and reliable attendance and the employee's physical presence at the workplace.

Work is performed in a dynamic environment that requires sensitivity to change and responsiveness to changing goals, priorities, and needs.

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions described herein. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in a job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in a job description.
